

Dear readers of the Hacettepe Journal of Biology and Chemistry,

We are pleased to introduce you the second issue of the 38th volume. This volume is composed of 11 papers. Our motivation for the publication of this journal comes from the increasing number of submissions authored by a distinguished group of scientists. Up to now we have published number of papers in the biology and chemistry area, as well as special issues dedicated to the special topic or conference. Our journal is an open access journal and the articles can be reached from the following URL.

www.hjbc.hacettepe.edu.tr

We would like to thank all the authors for choosing our journal as a media for sharing their scientific results and we would like to invite you to submit your next manuscript to *Hacettepe Journal of Biology and Chemistry*.
